RE: DALTON, Jalen Deshone AKA: J, NBA J
Case Number: 5:20CR16-10

To Whom It May Concern:

Mr. Dalton was sentenced in the Northern District of West Virginia on March 17, 2021, by the Honorable Judge John Preston Bailey. Following his 33-month prison term, he was released to a six-year term of supervised release which commenced in the Northern District of Ohio on December 08, 2023. The purpose of this letter is to advise the Court of Mr. Dalton's recent non-complaint behavior and ask the Court to initiate the transfer of jurisdiction to the Northern District of Ohio.

On December 21, 2022, and February 07, 2023, Mr. Dalton submitted urinalysis that were both positive for the presence of marijuana. Mr. Dalton would admit to using marijuana prior to both tests. This probation officer and Mr. Dalton discussed the associated negative consequences of continued marijuana use. He has committed himself to being sober moving forward.

This probation officer has connected Mr. Dalton with formalized substance abuse services in order to address any outstanding underlying issues. The assessment was completed on February 23, 2023, at one of our contracted agencies. The results of the assessment have not yet been provided to this probation officer.

It is respectfully recommended that no Court action be taken at this time. Mr. Dalton has committed himself to sobriety and has taken the appropriate steps to address any underlying substance abuse issues with his treatment provider.

Furthermore, it is this department's recommendation that the Northern District of West Virginia initiate the transfer of jurisdiction process in order to address future non-compliance issues in a timely manner. If you have any questions concerning the above information, please contact the undersigned officer at 216-334-5140 or via email at colin_boone@ohnp.uscourts.gov.

Sincerely,

Colin P. Boone
